Subject: Proposed MOU
Attachments: MOU final draft 10-10-18.pdf

Hi Gentlemen,

Attached is the proposed MOU, which has the approval of all of the participants on the government side – that is, both counties, the WDNR and the EPA. We have worked hard to present a document that passes muster with all of us, and it is unfortunate it taken this long. The latest “delay” has been our effort to make the attached document fit with the new development you advised us of recently of having an independent tester. We have tried to do so in the attached MOU, and we are open to whatever modifications, additions or corrections that may be necessary in that regard.

We look forward to hearing from you and meeting with you again in the near future, as we come to a final resolution of an MOU that can be signed by all parties.

Thank you for your continuing cooperation.

David
